### DIRECT DEPOSIT INFORMATION

Direct deposit will help you in many ways. It saves trips to your financial institution, saves time in depositing checks, and eliminates the possibility of lost, stolen or forged checks. Your money is deposited faster and reduces the possibility of overdrafts. It also means that your money is deposited to your account even if you are on vacation or away from the home on business or illness. When direct deposit is implemented for the first time, your information is sent to your financial institution as a pre-note, which means that it is being tested to ensure that the deposit will be sent correctly and that you will get a check. Following the per-capita you will receive a direct deposit statement. We believe you will like the added convenience of having your Tribal Per-Capita automatically deposited to your account. Direct deposit is safe, convenient, and easy. To take advantage of this service, complete this form and return to the Enrollment Office. If you have further questions about direct deposit please contact the Enrollment Office at 406-675-2700, extension 1014 or 1013.
