

**When:** August 27, 2021  
9:00am-12:00pm  
**Where:** Ronan Senior Citizen's  
Center, across from Dairy Queen

### CSKT's Pesticide Program invites you to learn about the importance of Native Pollinators!

Our program has partnered with other local organizations and programs to create a fun learning experience outside! Come enjoy a day in the sunshine and learn why native pollinators are so important amongst other great topics too! We will be offering locally harvested seeds to take home, t-shirts, Bee ID guides, Bee House instructions, and a look at our current Pollinator Habitat project.

We hope to see you there!

*\*Snacks and water will be offered\**
